ETC	

LANGUAGES

- English (ACE Level 7)
- Khmer

PROFILE

Information Technology Professional with strong expertise in software development, networking, and cyber security. Skilled in C/C++, C#, Python, MySQL, MongoDB, Linux, and experienced in 2D & 3D video game development, animation, and design. Proven abilities in project management, teamwork, leadership, and effective communication, with a passion for creating innovative solutions, secure systems, and engaging digital experiences.

WORK EXPERIENCE

INK Animation 2017 - 2020
Animation

» Assisted in animation projects by tracing existing drawings and refining lines to ensure clarity and consistency.
» Helped the animation team produce polished frames for 2D animations.
» Maintained attention to detail and supported deadlines by ensuring all artwork met quality standards.

iThinkAsia 2014 - 2017
Animation

» Traced existing drawings to ensure accuracy and maintain original design intent.
» Refined and cleaned lines to improve clarity and visual quality for animation frames.
» Supported the animation team in producing polished 2D animation sequences on schedule.
